

WHY DIVEASSURE?

- We specialize exclusively in diving accident and Dive & Travel insurance
- We provide 24/7 emergency and non-emergency medical hotlines with direct contact to Duke Dive Medicine physicians
- We offer the most comprehensive Diving Accident and Dive&Travel insurance plans
- We offer competitive rates
- We pay directly to service providers, no need to leave a credit card or other personal guarantees
- Our members can choose between short-term or annual memberships and plans.

DIVEASSURE AND DUKE DIVE MEDICINE

We work hand in hand with the Duke Center for Hyperbaric Medicine at Duke University, NC, USA. This partnership allows us to offer our members the best medical care in diving emergency situations.

DIVEASSURE CARES

We care about our members and the future of diving. We donate regularly to the maintenance and improvement of local diving environments, dive medicine and dive research organizations. We also sponsor projects aimed at improving the safety and well-being of the diving environment.

REFERRAL INFORMATION

You can register for any DiveAssure program at your local dive center or online. If you register online, please remember to choose the dive shop/ service provider who referred you.
